How to read the starting price

Open timber pergola from \$450/m²; simple covered timber pergola from \$650/m². Minimum 20 m². The 24 m² covered option starts at \$15,600. Rates use the plan footprint, not roof-sheet area.

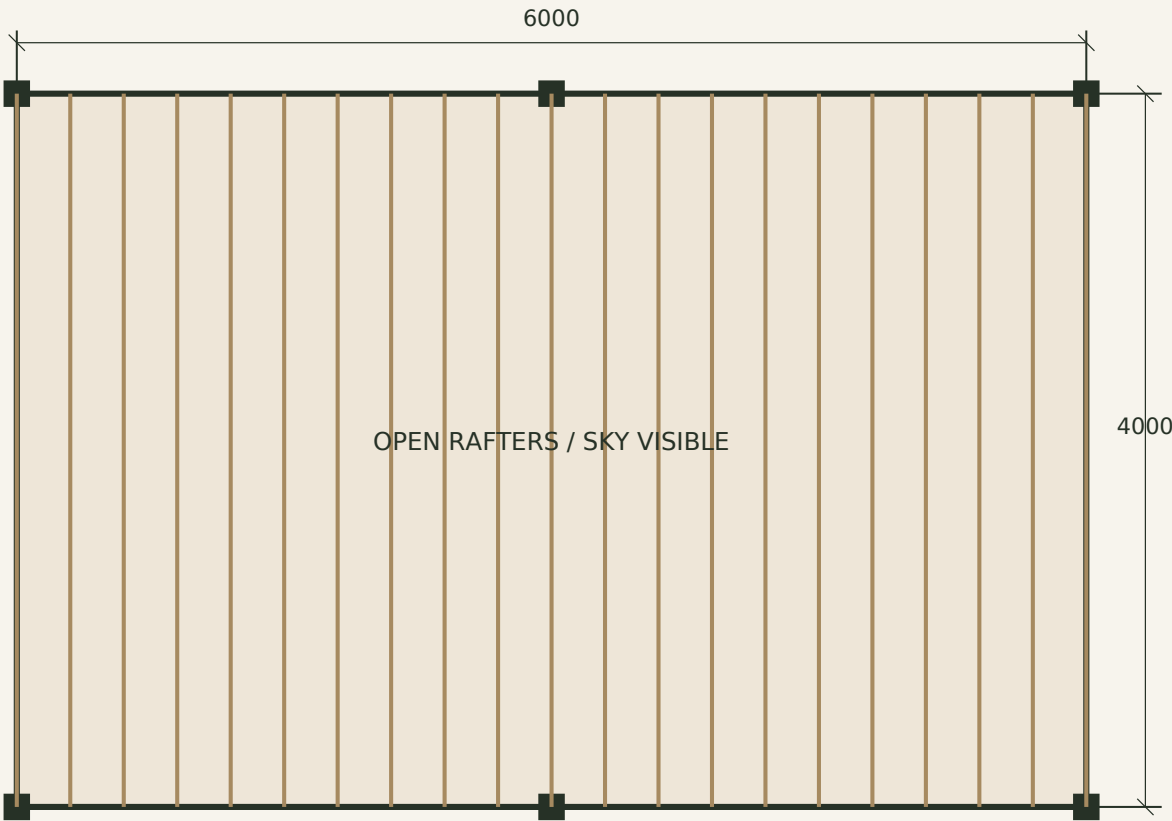

Indicative budget allowances only. Site conditions, final selections and the agreed scope may change the price. All amounts are in Australian dollars and include GST.

POST AND MEMBER SIZES BY SITE-SPECIFIC DESIGN

FRONT ELEVATION / NOMINAL 2700 HEIGHT / SCHEMATIC

DESIGN NOTES

The image and drawing show the open timber option. Final post layout, member sizes, footings, bracing, connections, roof drainage and approvals require site-specific design. No structural sizes are specified by these concepts.

INCLUSIONS / ADDITIONAL SCOPE / NEXT STEPS

What the base allowance covers

Open option: treated timber posts and framing, standard concrete footing allowances, open rafters or battens, standard fixings, initial painted or stained finish and installation on a generally level, accessible site. Covered option adds standard metal roof sheeting, flashings and gutter allowance, subject to the final design.

Additional scope

Decking, paving, furniture, plants, lighting, electrical work, screens, premium hardwood, insulated or opening louvre roofs, demolition, difficult excavation, drainage connections, engineering and approvals are additional.
